

August 2006

TROPHY NIGHT

The trophy night has been and gone with celebrations by the 130 strong crowd going through to the early hours next day.

The night revealed the winners of the Associations awards for the year.

National series winner Wayne Randall took out the Division One Speedway racing News series with the quite achiever Mark Pagel taking second who was closely followed in third by our club president Paul Geary.

The finish to the Division Paul Geary Automotive series came down to the last event at Rockhampton with only a couple of points between the winner Chris Albert and Gavin Northfield. They were closely followed by last years defending champion Bob Dobjahn.

The Geoff McHugh trophy was awarded to Gavin Northfield.

Other awards received were the Rookie of the year taken out by Michael Jenner and the Hard Charger award by Steve Jordan.

NAMING RIGHTS GETS PUMPING

AGM

The Annual General Meeting was attended by a good cross section of members. The elections were conducted with very little change to the committee.

The committee and officials for 06/07 are as follows

President	Paul Geary
Vice President	Owen Turner
Secretary	Dale Christensen
Treasurer	Ian Boettcher
Drivers Reps	Greg Maher
	Craig McGeorge
Race Director	Chris Bumstead
Asst Race Director	Brenton Knight
Chief Steward	TBA
Asst Steward	Brad Carter
Commentator	Wes Beadman
Scrutineer	Alex Jenner

One of the main discussions was the tyre rule and it was decided that the rule stay as it was in 05/06 season.

Another topic that was created lengthy discussion was the use of transponders. It was decided that the association look into the acquisition of transponders and associated equipment. It was decided that they would be used by those wishing to purchase them as a trial this season with the view of incorporating them as a must have next season.

FIRST RACE DAY NEARLY HERE

The season is not far of so its time to get your License and Registration underway.

We have already started to process Licenses and Registration for members. **One important thing to remember is that the license and registration process can take four weeks or more to get through.**
