Welcome to the new racing season. As with everything, there is always a small downside so this Newsletter hopes to take care of most of the administration so we can all enjoy the racing.

MEMBERSHIP RENEWALS

Membership renewals are due on the 1st of September. Please find the appropriate forms attached and return them with payment by the due date. Also note that a Medical Certificate is required so your License and Log Book can be issued. The paper work is available from your club.

FIRST RACE FOR 2004/2005

The Downs Speedway Club will be hosting this race on September 25th, 2004. An added attraction for this weekend will be the Carnival of Flowers. Your support would really be appreciated as this club is hosting several rounds this season. Toowoomba as a whole supports Super Sedan racing and a good field can only help this support grow.

TROPHY DRIVE

In an effort to contain costs, the Association would appreciate the donation of any trophy/trophies you may have that you no longer want (or in the case of some, have room for!!) Further to this, the Association is always looking for sponsorship of rounds, the cost being \$150 per round. Please contact Dale Christensen or Ian Boettcher if you can help with either request.

SPONSORSHIP DRAWS

Sponsorship Draws must be in by 13th August, 2004. Any queries can be directed to the committee.

RACE BOOKLETS

Race Booklets will be available shortly.

USA TEAM

With the USA team being confirmed, we are now waiting for the tracks to come on board. We are confident we will receive excellent support from the tracks and this will be a major event for the Super Sedan Assn.

USA Drivers: Charlie Swartz, Steve Francis, John Gill, Bert Cheathman.
