## New Easter Race Details

The SSA have received many phone calls regarding the status of this even for this year, from competitors. Please be assured that this year we will be racing in Charlton there will be changes to the format though. Through discussions with the Promoters of the track and the SSA it has been decided that this race will be a one night event. It will be run on the Saturday night over the Easter break and the winner will take home \$3,000. Please feel free to contact your drivers reps should you have any questions or queries about this information.

The SSA would like to request that all drivers, should they have any questions or queries *at or away from the race track*, contact their **drivers reps – Dale Christensen, Shane Milburn and Shayne Lau** with those questions. The Drivers Reps are there for you, the driver. As you can imagine, the workload associated with running your series is large and keeping the workload to a manageable level means spreading it around to all the members. This way your committee members are not overloaded. Your drivers reps and their contact details are listed in the column to the Left on every monthly newsletter.

## Good Luck to our members

As you may all be aware, some of our members are away racing interstate at the moment. As well as competing in the National Super Sedan Series, there are two large races in Tasmania on the last two weekends of January. The Grand Prix in Hobart and the Grand National in Latrobe. We would like to wish all our members the best of luck in these events.
