This list of dates has not yet been confirmed in writing with promoters and therefore is still subject to change.

In the situation where SSA rounds conflict with dates of NSSS rounds or other state titles not mentioned here, attendance points available to the SSA drivers will be made available to drivers representing the SSA on the national stage. (same qualifying standards apply) This way drivers are not disadvantaged too much for wanting to drive in national standard events.

Licensing

This year, in an attempt to simply things for everyone, find attached to this newsletter all the forms you will require this season. Simply fill them all in, send in a cheque and we will forward on all the forms and money for you. If you require multiples for crew members etc you can download forms from websites. The SSA membership form can be downloaded from www.supersedan.com.au, the NASR forms can be found on their website www.nasr.com.au and the QSCA forms can be found at www.qsca.com.au Please contact the Association with any questions you may have.

Don't forget to fill in your online nomination forms @ www.supersedan.com.au

New rules for Supers regarding stickers

As you may have read in previous newsletters, in an effort to increase the value of the sponsorship of our series, there will be some new rules brought in this year in regard to displaying sponsors decals.

The naming rights sponsor will be displayed on all cars this year in a long sticker. This sticker is to be provided by the SSA and will be displayed by all cars along the front of the roof.

All other series sponsor stickers **MUST** be displayed on all cars at all times. This year, any car caught racing without the correct sponsor stickers displayed will forfeit any prize money earned for the night.

It is well worth your while therefore to ensure you have the stickers you need and you have them displayed in the correct fashion, the SSA will have someone new in the pits checking this throughout the season.

Any one interested in a position on the committee please contact Connie Kane, she will need to hand over the secretaries duties to someone else this year. Please consider it

Freightliner trucks Championship series

Those of you at the annual dinner would have witnessed the drawing out of the winners of the naming rights sponsors. Mercedes Benz Trucks, long time supporters of our series have won the naming rights for the Championship series this year and they have chosen to use the brand 'Freightliner Trucks' as the name for the series and the Super Sedan Association are excited to have such a large Nationally recognised brand fronting our series. We all hope they find being the naming rights sponsor for the Championship series a worthwhile and exciting sponsorship experience.

Sport Engines Development series

A Familiar face is heading up the Development series this year with another supporter of the Super Sedan Association taking out the honors of the naming rights draw. Sport Engines will be this years naming rights for the Development series and again we hope for a successful and productive season for the Development series.
