September 2004

With the first race of the season fast approaching, here are a couple of timely reminders – mostly administration. Sorry. With all the paperwork out of the way we can then enjoy the 2003/04 season's activities.

MEMBERSHIP RENEWALS

Firstly, there must be quite a few membership applications out there taking up unnecessary room on office desks. Please forward them as quickly as possible. (Better in our filing cabinet than yours!)

RACE DATES

As mentioned in the last Newsletter, the first race for the season will be held at Charlton on the 25th September. This is Round 1 of the Aussie Trackwear Series. Time is really running out for nominations for this event.

Round 1 of the Russ Equipment Series will be held on the 2nd October at Maryborough. A good turnout of cars would be greatly appreciated.

FUTURE NEWSLETTERS

The Super Sedan Association Inc. now has its own website www.supersedan.com.au . Newsletters will be posted on this site from now on. For those of you without internet access, copies will also be available from the Race Director at all meetings.
